### Build with confidence — the Theme Store promise

**Works with the latest Shopify features**  
Themes on the Shopify Theme Store are guaranteed to stay up to date and work with Shopify's ever-growing feature set.

**Speed-tested and approved**  
Every theme in the Theme Store meets Shopify's performance standards, ensuring a faster shopping experience for your buyers.

**Unlimited free trial**  
Try the theme for free with your own products, brand colors, and customizations. One-time payment of \$300 if you publish the theme to your store.

**Free high-resolution photos**  
Demo stores aren't included, but you can get free stock photos from [Shopify Burst](#).

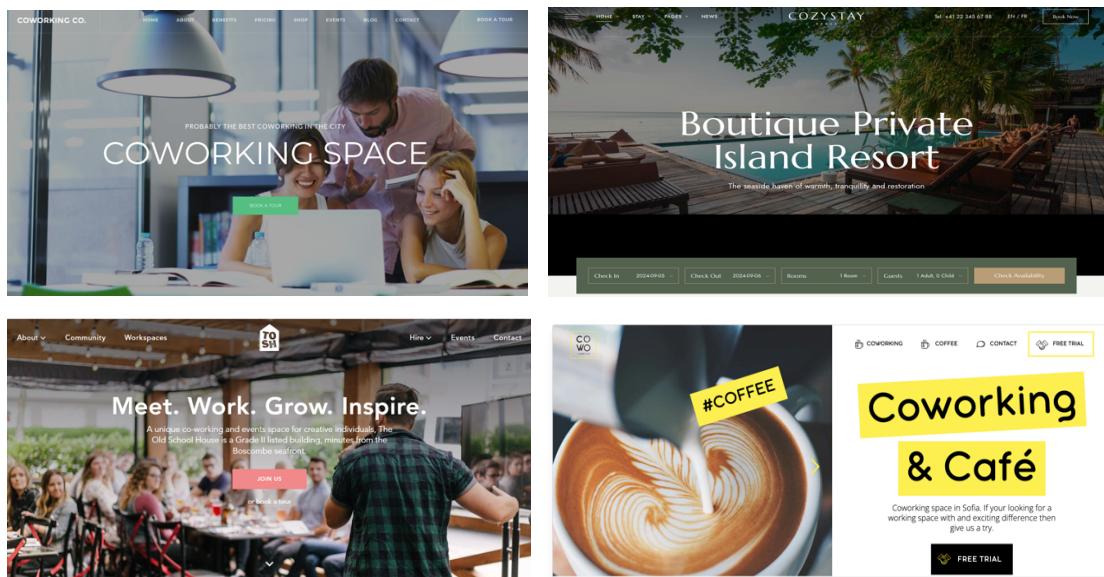

**Free theme updates**  
Get the latest theme features and fixes from the Theme Store. You can redownload your purchase at any time.

**Non-expiring license for one store**  
Your payment entitles you to use the theme on a single store, and keep it as long as you like.

We will edit this text later!

#### FEW MORE SUGGESTIONS FOR YOUR BUSINESS

Show 4 more theme landing pages as below. These 4 should be of the same domain and category of business theme that he/she had selected in the 1 attempt (E.g. If Co-Working them show 4 more Co-Working themes) On click it will again go to product page and same page will get displayed. For now I have just shown you the sample 4 designs as how this should look.
